WHAT TO WEAR

CLASSICAL POSES:

Deep rich tones such as browns, burgundy, or charcoal with brighter accents of jewelry; scarves, ties, etc. Wear solid colors or subtle patterns.

HIGH KEY PORTRAITS:

White, off white, or very pastel colors. Keep it simple.

FASHION LOOK:

Go wild, whatever you like, colorful, vogue, the sky is the limit. Make a statement. Gold and black look very good.

HOME SITTINGS:

Color keyed to the room and style keyed to your life style. Casual or formal the choice is yours.

OUTDOOR PORTRAITS:

Earth tones, solid colors or subtle patterns, avoid white and black. A casual look is very good in outdoor portraits.

SPECIAL STUDIO OR LOCATION SITTINGS, MODELING AND GLAMOUR PORTFOLIOS:

Please discuss the details with us beforehand.

FAMILY GROUPS:

Follow the guidelines for the various styles listed above. For studio sittings use medium to dark tones. Long sleeves, dark slacks, dark shoes, and darker stockings are generally best.
